“Black Love,” from filmmakers Codie Elaine Oliver and Tommy Oliver, displays “the other side of love that exists, that no one is showing”. Focusing on real couples from all walks of life and celebrity couples, the docu-series shares honest, emotional and sometimes cringe-worthy always-true love stories. The couples talk about how their relationships began, the road to the altar, life after children and all of the other obstacles they may have faced to make their marriages stronger than ever. For the first time, the long form interviews from each couple are being presented with new insights from Codie Elaine Oliver to provide a new experience for those familiar or new to the

This is Us:
Darrell,
Susan &
Justin

We did a video interview for BlackLove.com in 2016. A portion of it aired on the OWN Network *Black Love* premier season.

In May of 2021, we listened to the newly released *Black Love* podcast of our full interview. We had never heard it before. We were so surprised to listen to our honest, candid story "about us" that we wanted to add our pictures to the audio before sharing.

It has taken a few months to put it together with our novice skills. However, every picture will tell a story about Life, Love, Happiness, Family Loss, and Hope.

Happy Birthday Justin... 9/13/2021

In Peace & Love,

Darrell & Susan Carr
