FATHER TO SON (AS TOLD BY DARRELL)

NOVEMBER 9, 2014 LEAVE A COMMENT

When Darrell told me about his experience a few days ago, I told him that he needed to write it down so that he could remember the details. I'm so glad that he did.

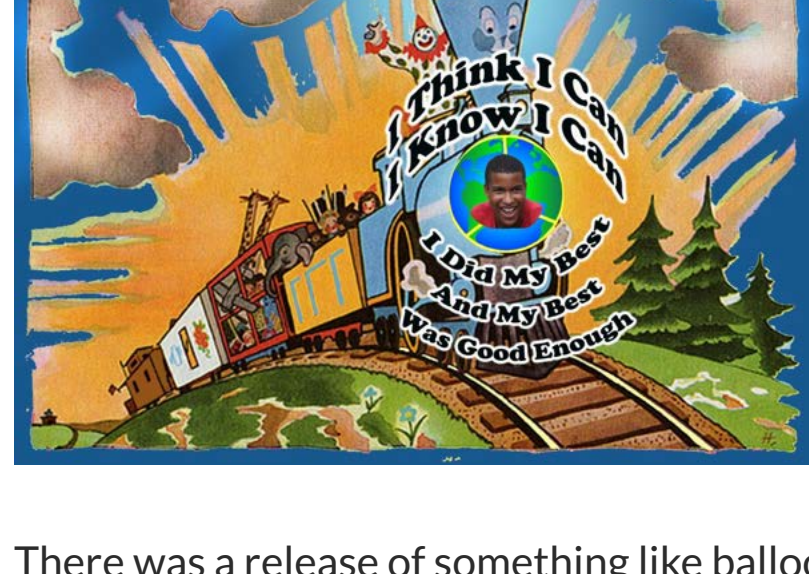

Message from Darrell...

"Today I received a last minute invitation from a family friend Angie Daves, to attend a lecture/reading from Theresa Caputo on our loves ones on the other side, we call Heaven. The Long Island Medium and author of "You Can't Make This Stuff Up" sold out the Saban Theatre in Beverly Hills. After weaving in & out of L.A. traffic, I arrived with 5 minutes to spare. Our seats were 3 rows from the back wall in the balcony. But that wasn't important to me as long as I could hear her speak. She started out by asking if anyone lost their wife, several people raised their hands, Then who lost a husband? To be honest I thought these questions were to general, and any crowd could answer. Then she ask did someone lose their son, I wanted to shout "yes me!" but she would not have been able to hear me. So I sat quietly and answered all her questions silently. All of her information came from the spirits that contact Theresa. She ask, was there something built in their sons memory, like a bench to sit on. Was there a message scribed in cement? his hand print is pressed in cement in the yard. There is a tree planted for him.

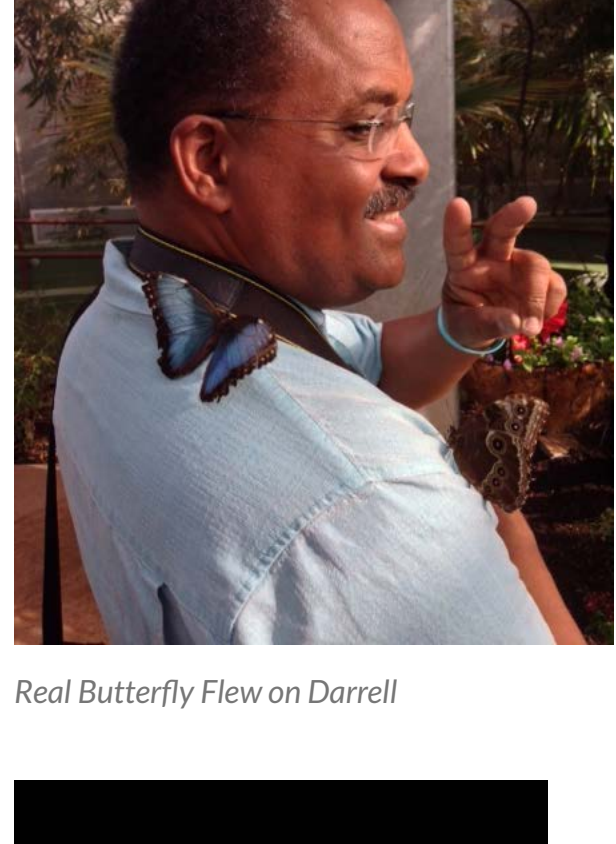

Darrell's Garden a tribute to Justin. The rock Bench and plants are all from his labor of love for Justin

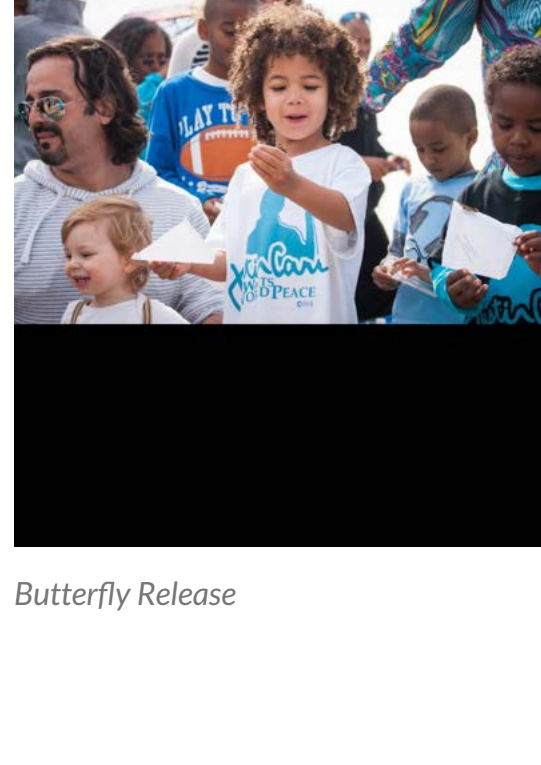

There is an article written about this young man.

There was a release of something like balloons or butterflies in his memory?

There is also a scholarship named after him.

This young man passed at an early age, before his time. His passing had something to do with something inside his chest. I sat there still and quiet with tears welled up in my eyes, yearning to just hug my beautiful son and tell him I love him with all my heart. All of that information had to be my beautiful son Justin Carr. The other people that had answered the first few questions put their hands down not able to answer yes to all questions like I was able to, the proud father of Justin Carr Wants World Peace."

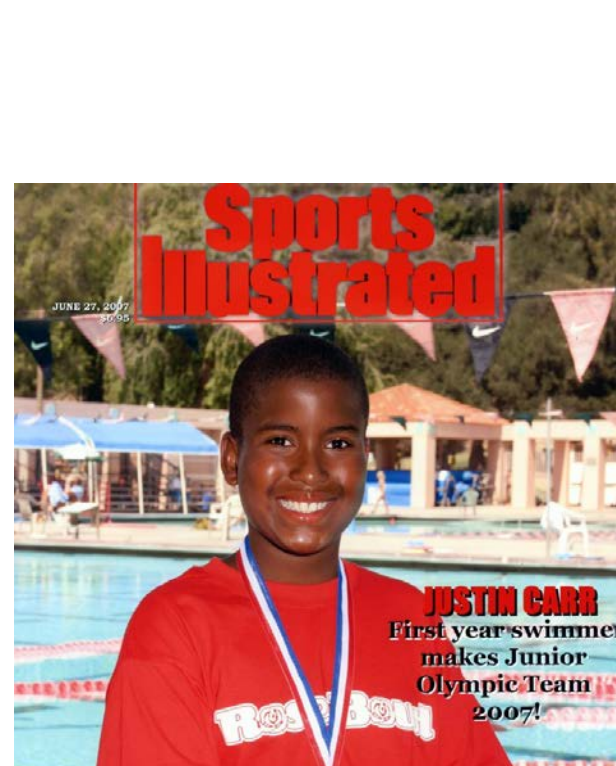

Thank you Angie for inviting Darrell. He will think about this event for many days and years to come.

Celebrating Dad Father's Day 2012

I know that Darrell was the best Father to Justin. He taught him at an early age how to do things for himself, to build with his hands, to be resourceful, tie a tie, sing a song and to be a gentleman and to take care of himself. Darrell called Justin his Champ. I know that Darrell can relate to Langston Hughes famous poem... even though it is called " Mother to Son", Life without Justin has not been a crystal stair. Justin loved Langston Hughes and he wrote a poignant poem about him weeks before his transition. Stay tuned to read it one day.

Mother to Son
BY LANGSTON HUGHES
Well, son, I'll tell you:
Life for me ain't been no crystal stair.
It's had tacks in it,
And splinters,
And boards torn up,
And places with no carpet on the floor—
Bare.
But all the time
I've been a-climbin' on,
And reachin' landin's,
And turnin' corners,
And sometimes goin' in the dark
Where there ain't been no light.
So boy, don't you turn back.
Don't you set down on the steps
'Cause you finds it's kinder hard.
Don't you fall now—
For I've still goin', honey,
I've still climbin',
And life for me ain't been no crystal stair.

*** I do not watch TV and did not know who this Theresa Caputo is. Now I do and I could not believe that her book is titled "I can't make this stuff up" A phrase I often use... Susan
